Social impact by generating more employment in the sector.

Investment PROPOSAL

H Hotel Medellín designed to be the new icon of the city, where the traveler interacts and is young at heart, a space that brings together digital nomads and allows fun and remote work.

A perfect mix of leisure in the exciting city, having nature as the protagonist to generate unique and memorable experiences.

H Hotel is a project of 180 rooms of 30 m2 on average, a conventions and events hall, a parking lot for visitors, a gym, a rooftop with a pool, jacuzzis, a spa, and gastronomy.
